

Fact Sheet for Proposed Changes to  
Chapter 14: Enforcement and Administrative Procedures

**Concerns:** It is unclear if the general public can request an administrative review if they are adversely affected by the department's decision to deny, modify or issue a permit.

**Proposed Solutions and Regulatory Change:**

1. Make clear in the rules that if a person is adversely affected by the department's decision to deny, modify or issue a permit, they may request an administrative review by the Health Officer.
