

Military Request for Cancellation of Automatic Ballot Mailings

This form is optional and is only to be used by members of the military who listed an out-of county mailing address with the county elections office due to being stationed outside their county of residence, but who have since returned to their county of residence and need to ensure that ballots are not mailed to their out-of-county mailing address.

REQUEST TO BE FILED WITH COUNTY ELECTION ADMINISTRATOR OR SECRETARY OF STATE

I, _____, with a birth date of ___/___/_____, filled out a request for an absentee
[print name]

ballot for a previous election cycle, on which I identified myself as a member of the military.

The Montana county in which I requested an absentee ballot is Missoula County.

By law, the Absentee Request requires the County Election Administrator to automatically mail a ballot to me for all elections in the calendar year in which I requested ballots and for the next two (2) Federal General elections. At the time of my request I was in the military and was stationed away from my residence county, so the mailing address I listed on the form was outside the county.

As of ___/___/_____ I am no longer stationed away from my residence county.
date

I am signing and returning this form because I DO NOT want a ballot automatically mailed to me for upcoming elections at the address at which I was stationed.

After sending in this completed form, I understand that I may choose to vote in person at my polling place or vote by completing a new absentee ballot request with a current mailing address. I also understand that my mailing address on file with the elections office will be my residence address, unless I update my mailing address with the elections office.

I understand that by signing this form I will not automatically have an absentee ballot mailed to me at the address stated on my absentee request. I further understand that should I choose to absentee vote I will need to complete a new absentee request with a CURRENT MAILING ADDRESS in order to receive an absentee ballot. I will need to send the new request to the Election Administrator in the county in which I am registered to vote.
