Subcommittee progress was discussed.

County Attorney Fred VanValkenberg's amendments to the original Initiative-2, aka "Marijuana Initiative" were discussed. It was agreed that this change from the terminology of "adult marijuana" to "misdemeanor marijuana", although having great impact on the true meaning of the initiative as passed, would have little impact on our (the Committee's) role to receive information and produce reports regarding all adult marijuana in Missoula County.

Fred VanValkenberg was invited to address the committee as to his thoughts/reaction to the 'successful' amending of Initiative 2.

Consensus decision- draft official correspondence to County Attorney requesting information.

Commissioner Carey also addresses committee

Floor is opened to committee members for discussion-

Committee agrees to a future meeting date of May 11<sup>th</sup>.
