

REQUEST FOR COMMISSION ACTION

Action Requested: Consider awarding a contract to Knife River in the amount of \$482,375.00 for the construction of the Mullan Road Trail Project.

Date Required: February 10, 2010

Background: The Missoula County Public Works Department solicited bids from responsible contractors for the construction of the Mullan Road Trail Project. In response to our advertised solicitation, we received four bids. The apparent low bidder was Knife River with a bid of \$482,375.00. We have evaluated their bid and found it to be in order.

Recommendation: Award contract to Knife River in the amount of \$482,375.00 contingent upon concurrence by the Montana Department of Transportation and Federal Highway Administration.

Fiscal Impact or Budget Implications: Adequate funds are budgeted for this work.
