MISSOULA COUNTY ELECTIONS OFFICE ANNOUNCES ONLINE BALLOT TRACKING SYSTEM

Missoula, MT – The Missoula County Elections Office is proud to announce the state of Montana’s first online ballot tracking system. Missoula County voters can access the system at www.co.missoula.mt.us/Election and check to see if their ballot has been mailed, received, accepted and processed. “The tracking system allows voters to participate in elections in a new way,” remarked Vickie Zeier, Elections Administrator. “The voters get to check on their ballot and make sure it’s moving through the process as it should be. It’s really exciting to give electors that option.”

The online tracking system will also help reduce the call volume the Elections Office receives leading up to elections freeing up busy staff to focus on other Election Day related duties.
