MISSOULA COUNTY ANNOUNCES DROP BOX LOCATION FOR CONVENIENT DELIVERY OF COUNTY DOCUMENTS AND PAYMENTS

Need to deliver your county tax payment, motor vehicle renewal, voted ballot, or jury questionnaire? Drive through the County's parking lot on the west side of the Courthouse Annex and look for the blue box. You can also drop off your request to be excused from jury duty, and, if you don't require a receipt, you can drop off child support payments and payments for criminal fines or fees.

The drop box was installed earlier this fall, and citizens used it frequently during the city's recent mail ballot election. "It was great," says Vickie Zeier, the County's Clerk and Recorder. "People don't want to have to pay to park just to drop something off that only takes a minute. The drop box allows people to drive through the parking and just drop their item in the slot."

The County also provides citizens the option to take care of some business online. Citizens can pay their property taxes, renew the registration on their vehicle, and confirm voter registration. Please visit Missoula County's website, www.co.missoula.mt.us, for more information.
