WESTERN MONTANA FAIR MANAGER NABS REGIONAL AWARD

Scot Meader, Western Montana Fair Manager, was awarded the Kermit Fleming Fair Manager of the Year at the Rocky Mountain Fair Association annual conference in Great Falls last week. Meader has been managing the Western Montana Fair and the Missoula County Fairgrounds since 2002.

“I’m so grateful to receive this award from an organization that I really respect. The RMFA brings hard working fair professionals together to learn from each other,” says Meader, who became a Certified Fair Executive from the International Association of Fairs and Expos in 2009.
