KONA BRIDGE FISHING ACCESS SITE CLOSING FOR SEASON

Missoula County and Montana Fish, Wildlife, and Parks (FWP) will close the Kona Bridge Fishing Access Site from January 16th through March 31st. The site will be closed to all motorized vehicles and restrooms will be unavailable.

Montana FWP manages the Kona Bridge Fishing Access Site through a memorandum of understanding with Missoula County. FWP routinely closes a number of area fishing access sites during the winter months when use is typically very low, routine maintenance is not logistically feasible, and facility oversight is difficult. "We look forward to an active recreation season beginning April 1st. We appreciate the public's patience during the winter closure," says Lisa Moisey, Missoula County Parks & Trails Manager.

Questions about the site or about other County parks can be directed to Lisa Moisey, Missoula County Parks & Trails Manager, at 258-3432 or ri@co.missoula.mt.us. The Montana Fish, Wildlife and Parks contact is Rory Zarling, Fishing Access Site Manager, at 542-5500.
