MISSOULA COUNTY PARK BOARD TO PRESENT 2010 PARK STEWARDS AWARD

The Missoula County Park Board announces the Seeley Lake Lions Club as the 2010 County Park Steward. The Club is recognized for its extraordinary efforts to manage and maintain the Seeley Lake Lions Clearwater Park.

Over the past 16 years, the Lions have worked to manage, maintain and improve the community park in Seeley Lake. The Lions Club developed a winter skating program at the park that includes an annual skating party during Seeley Lake's Winter Fest. The Club also enhanced the park with a paved walking path, updated picnic facilities, vegetation management and general maintenance.

The County Park Board and the Board of County Commissioners will present the award at the December County Park Board meeting on Thursday, December 9 at 1:30 pm in Room 201 of the Missoula County Courthouse. All are invited to attend. For more information, please call Lisa Moisey, County Parks & Trails Manager, at 258-4716.
