MISSOULA COUNTY TO DELIVER ADDITIONAL SERVICES IN SEELEY LAKE

Missoula County is set to open its satellite office in Seeley Lake at 3360 Highway 83 North. Starting tomorrow, March 10th, and continuing on the 2nd and 4th Thursday of every month from 9:30 a.m. to 3:30 p.m. area residents can access a variety of services currently only provided at the county courthouse. Residents can renew motor vehicle registrations and tabs, acquire 40 day temporary registration permits, Montana birth and death certificates, pay real estate, mobile home, and business taxes, and obtain dog licenses and moving permits.

“We were really interested in finding a way to provide services to folks in that part of the county so they wouldn’t have to make a special trip to town,” says Clerk & Recorder Vickie Zeier. “We hope to be able to provide even more services in the future.”

The location already boasts the public works department’s building codes division for the north end of Missoula County and resident deputies from the Sheriff’s department.
