MISSOULA COUNTY SHERIFF'S OFFICE ANNOUNCES ALCOHOL COMPLIANCE CHECKS

Missoula County Sheriff's Deputies will spend more time ensuring bars and stores aren't selling alcohol to minors. Deputies have been directed to conduct alcohol compliance checks in the coming months in areas outside the city limits.

"This is an issue we've wanted to tackle for some time, and the new administration prioritized this effort," says Patrol Captain, Brad Giffin. "Underage drinking and drinking and driving are issues we take very seriously and we want to do everything we can to reduce these instances."

Sheriff's Deputies will visit bars outside the city limits and make a more pronounced effort to get to know proprietors and patrons alike.

For more information on these efforts, please contact Sheriff Carl Ibsen or Patrol Captain Brad Giffin.
